"THERE IS NO PLACE LIKE HOME" When you own the "Home." If you contemplate owning a home, secure a good location while you may and keep in mind that it costs as much, frequently more, to build on an ordinary location as on a desirable one—one on which you can realize instantly its cost, or even more, at any time you desire to do so, near business and in good neighborhood. Cut down cost of house rather than of the lot. Let us give you prices of lots on several of the best streets in the city. Ask us about them. Prices right. Terms easy. Enquire of us.
